REDSIDE ESTABLISHES A PRESENCE IN CENTRAL OREGON

The growing commercial real estate company's asset management portfolio now includes 78,000-sf of desirable Bend real estate

BEND, Ore. (November 30, 2010) — Redside, a commercial real estate services company known for its expertise in asset management, sustainable redevelopment, construction and facility services, has expanded its reach to Central Oregon, where it is overseeing the operations and strategic management of four commercial buildings in key locations around Bend.

Comprising 78,000-sf, the buildings are:

- Penney Galleria (1002 NW Wall Street), 13,500-sf, mixed-use building downtown;
- Wall Street Business Center (1345 NW Wall Street), 15,000-sf, professional office building downtown;
- 9th Street Industrial (650 SE 9th Street), 21,000-sf industrial warehouse;
- Lyman Place Industrial (63270 Lyman Place), a 28,000-sf industrial warehouse that is fully occupied.

“Our development and asset management experience, coupled with our seasoned staff, enables us to represent our clients’ interests in markets beyond Portland,” says Garrin Royer, Redside principal. “We look forward to connecting with the Central Oregon business community as we work to grow our business, sell these assets, and support the local economy in the process.”

About Redside

Redside is a real estate investment and services firm best known for its environmental stewardship, innovative abilities and agile services. Redside acquires, develops and manages commercial and multi-family assets with specific expertise in high-performing, energy-efficient buildings.
